## EXPERIENCE

April 2019 - Present

### FASHION DESIGNER

DELPOZO - Madrid

Designing ready-to-wear luxury garments for the Resort 2020 and Spring-Summer 2020 collections. Working hand in hand with the atelier team. Toiling with moulage, technical spec sheets and embroidery development. Taking over the garments' process over fittings focusing on the details. Researcher for inspirational moodboards, high fashion trends, colors and fabrics.

May 2017 - April 2019

### FASHION DESIGNER, COUTURIER & PRODUCTION MANAGER

PATRICIA PADRÓN - Madrid

Principle designer of ready-to-wear high end garments for the collections Spring-Summer 2018, Fall-Winter 2018, Resort 2019, Spring-Summer 2019 and Fall-Winter 2019. Creating a solid brand identity through the cohesion of collections, also designing it's accessories: shoes and keychains. Fabric researcher at Première Vision (Paris). Working simultaneously at the atelier as a pattern maker, cutter, modiste and embroiderer. Taking over the production system when needed through the making of technical spec sheets for production, stock management, dealing with suppliers and directing the scaling, cutting and sewing workshops.

September 2016 - February 2017

### ATELIER ASSISTANT & COUTURIER

IRIS VAN HERPEN - Amsterdam

Sample maker of Haute Couture final garments for the Spring-Summer 2017 Runway Show in Paris. Machine and mostly hand sewing professional techniques. Handly and digitally pattern making of final gowns. Made to measure couturier for Daphne Guinness and Tilda Swinton. Dealing with laser-cut archives for suppliers and 3D printers. Backstage production assistant.

February 2016 - September 2016

### DESIGN STUDIO ASSISTANT

DELPOZO - Madrid

Assisting the brand in the build up of the Resort 2017 and Spring-Summer 2017 collections. Principle designer and producer of the embroidered earrings shown and displayed at New York Fashion Week. Inspirational research, fabric manipulation, technical drawings and spec sheets for garments, shoes and bags. QA for the SS17 runway show invitations' embroideries and development of the architectural scenery prototype for the catwalk.

September 2014 - February 2016

### ARTISTIC DIRECTOR & MODAFAD WINNER

ENRIC MARTÍ - Barcelona

Direction, creation and production of my first ready-to-wear collection Fall-Winter 2016 presented at the "080" Barcelona Fashion Week. Also, first prize winner as "Best Emerging Designer 2015" at the MODAFAD Fashion Awards during the "080" Barcelona Fashion Week in July 2015.

January 2014 - June 2014

### STUDIO INTERN

COMPANION DENIM - Barcelona

Studio intern for the 2014 production of raw denim jeans. Involved in the pattern making, machine sewing for sample making and development of denim accessories. Also, researcher of inspirational Moodboards, streetwear details and menswear fashion trends.
